LOCAL RULES – SCOPE AND AUTHORITY

The following supplemental Local Rules of the Celina Municipal Court are intended to be supplemental to and to be used in conjunction with the (1) Ohio Rules of Civil Procedure, (2) Ohio Rules of Criminal Procedure, (3) Ohio Rules of Superintendence for Municipal Courts and County Courts, (4) Ohio Traffic Rules, (5) Rules of Superintendence of the Supreme Court of Ohio, and all amendments or supplements thereto as may occur from time to time.

These Local Rules are not to be interpreted in any way that will conflict with the various Ohio Rules. Should any conflict or contradiction be found, the Ohio Rules shall, in all cases, prevail over the supplemental Local Rules.

The Rules of Practice of the Common Pleas Court of Mercer County may be followed when a situation arises for which no provision has been made.

**RULE 1
Term of Court**

1.01 There shall be no term of Court, but in accordance with ORC Section #1901.29, for the purpose of computing time, 90 calendar days following judgment shall be considered after term.

**RULE 2
Hours of Court Sessions and Holidays**

2.01 The offices of the Court and the Clerk of Court shall be open for the transaction of business during the hours set by the Court, Monday through Friday, legal holidays excepted.

Holidays will be observed as approved and established by the Judge of The Celina Municipal Court each year. The Court may also close by this Court's order when circumstances exist which the Court feels it would be necessary and proper to cease operations.

RULE 3 Records

Records Open for Inspection

3.01 The Clerk of Courts shall refuse to file depositions upon oral examination, interrogatories, requests for documents, requests for admissions and answers and response thereto, unless on order of the Court or for use as evidence or for consideration of a motion in the proceeding.

All indexes, dockets and journals maintained in accordance with law by the Clerk shall be open to inspection during regular business hours. Original papers, however, shall not be removed from the office of the Clerk of Court. The same shall apply to affidavits, warrants, and other documents filed of record in all criminal cases.

This rule shall not be construed as a right to examine any and all documents contained in a file, such as accident reports, mental evaluations, alcoholic influence reports, trial notes, arrest reports or any other forms, as depositions, interrogatories, that may be contained therein of a confidential nature discoverable only upon Court orders pursuant to Ohio Criminal Procedure Rules.

Civil case files shall have the same right of public examination above.

Documents photocopied by the clerk shall be charged for at the rate of \$.05 per page.

Filing

3.02 All pleadings, motions and all other papers filed in an action shall be filed in compliance with the Rules of Civil Procedure.

Any pleadings, motions or leave not filed in compliance with the Rules of Civil Procedure shall be reported by the clerk of this Court to the Judge and may be stricken from the files on the Court's own motion.

Releases and Assignments

3.03 The assignment, cancellation or release of judgment shall be in writing and filed as other papers in the case.

Disposition of Case Files

3.04 The disposition of case files shall comply with Rule 26 of the Rules of Superintendence for the Court of Ohio.

Search Warrants

3.05 The search warrant affidavit is not to be released to anyone until the return is filed with the Judge by the issuing department.

RULE 4

Subpoena-Timeliness of Filing

4.01 Praecipes for the service of subpoenas shall be filed at least **TEN** (10) working days before the subpoenaed party is required to appear. If this rule is not complied with, the failure of the subpoenaed party to appear because of failure of service shall not constitute grounds for a continuance. This rule applies unless it can be shown that the person filing the praecipe was unaware of the name or location of the persons sought to be subpoenaed in sufficient time to comply and that such information could not reasonably have been obtained in time.

RULE 5

Pleading Appearance not Required

5.01 In criminal matters every attorney of record should appear to plead, however, written pleas of not guilty may be accepted by the Court at the discretion of the Judge.

RULE 6

Forcible Entry and Detainer

6.01 Actions in Forcible Entry and Detainer shall be filed and proceedings conducted in accordance with provisions of Chapter 1923 ORC and any amendments made thereto according to law.

6.02 If an action in Forcible Entry and Detainer contains an additional cause of action for money judgment, then such additional cause of action shall proceed under all applicable Ohio Rules of Civil Procedure. If the defendant is present in such action, the Court may proceed to the issue of damages at the time of hearing on the Forcible Entry and Detainer.

6.03 When it is necessary to forcibly vacate real property, the plaintiff and/or landlord/plaintiff's counsel shall notify the bailiff and the plaintiff shall file a praecipe for writ of restitution (to identify the articles to be moved) and unless otherwise ordered by the clerk, shall require a deposit of not less than \$50.00 before execution of the writ may be ordered. Any costs beyond the \$50.00 are to be advanced by plaintiff according to the need for additional costs as required by the Court.

The plaintiff/landlord shall directly choose and make all contacts, moving expense payments and arrangements with the moving company. The moving company will schedule dates and times with the bailiff to remove tenant's possessions. Any moving company within Mercer County and/or adjacent Ohio county chosen or selected by the landlord however must be duly licensed by the Public Utilities Commission of Ohio

(PUCO) and is to have dry storage facilities available as may be appropriate for the storage of tenant's removed possessions.

RULE 7

Jury Demand

7.01 Jury demand shall be made pursuant to Criminal Rules and Civil Rules. Subsequent to the issuing of jury notices, which are normally issued fourteen (14) days in advance of a scheduled trial date, any party (or parties) requesting a continuance which is granted, or who agrees to a settlement, or who withdraws a jury demand shall be responsible for notice to the prospective jury that their attendance is no longer required. Where appropriate and proper, the Court may assign costs regarding such procedure, or failure thereof.

7.02 In the event a panel of jurors appears for service and the trial is continued or postponed due to the failure of a party or his counsel to appear, such party shall be assessed the per diem cost of the panel unless such failure to appear is as a result of extreme emergency or conditions beyond the control of the party or counsel as the same may be determined by the Court.

7.03 The failure of the party demanding the jury to comply with any of the provisions of this rule may constitute a waiver of the jury and the matter may be submitted to and decided by the Court.

7.04 Failure to timely rescind jury demand: After a jury has been demanded, unless the jury is waived in writing not less than seven (7) days prior to the date set for trial, the party who requested that jury, and thereafter within such seven (7) days prior, waives same, shall pay all jury fees and expenses incurred as a result of such demand.

7.05 Any application for withdrawal of counsel shall be accompanied by a withdrawal of all pending motions and any jury demand. Such withdrawal shall not prejudice a subsequent jury demand by or in behalf of a criminal defendant.

RULE 8

Orders in Aid of Execution

8.01 Orders in aid of execution shall be served and scheduled pursuant to statute and civil rules.

Service thereof may be made by regular United States mail.

No order in aid of execution shall be accepted by the clerk unless the name of the attorney filing the same appears at the bottom of each copy.

The clerk shall not accept such orders unless one copy is furnished for each party to be served and one copy for the clerk.

In the event the plaintiff or his attorney fails to appear for the examination of a debtor, the presence of the party shall be noted on the docket and the party excused.

A debtor may obtain a release of wages upon delivery to the Court of a signed statement from his employer as to his earnings for the past thirty (30) days and upon payment to the clerk of the amount required by law to be withheld. This provision shall not relieve the debtor of his duty to appear at the time assigned if he has been ordered to appear for examination.

Except for good cause, made known to the Court, no citation in contempt for failure to appear may be issued where more than sixty (60) days have elapsed after the date on which the debtor was ordered to appear.

Order in aid and citations in contempt shall be filed by the party requesting the orders and in a form acceptable to the Court.

Executions

8.02 Praecipes for execution shall describe specifically and in detail (including model and serial numbers if known) all property to be seized by the bailiff or sheriff on execution.

8.03 When an execution is issued, and unless otherwise ordered by the clerk, the Court shall require a deposit of not less than seven hundred fifty dollars (\$750.00) to secure the estimated basic costs of pick-up and storage of the items that are to be executed upon plus costs and estimated mileage. This deposit shall occur prior to any pick-up action.

8.04 Any judicial sale shall be first approved by the bailiff as to exact time and date to avoid conflict.

8.05 Counsel for the party requesting any judicial sale shall prepare any newspaper publication required, cause the same to be published at the party's expense and file an Affidavit of Publication with the clerk and bailiff prior to sale.

Sales and Confirmation

8.06 A copy of the notice of the sale of personal property shall be mailed by the bailiff to parties and to attorneys of record in the case; however, failure to mail such notice shall not invalidate the sale.

8.07 Entries of confirmation and distribution shall be prepared by the party who requested the sale and shall contain a statement that the sale was regular and proper in every respect unless otherwise directed by the Court and also a statement of the balance, if any, still due on the judgment.

RULE 9 Trusteeship

In all cases where a trustee is appointed by this Court pursuant to Section 2329.70 O.R.C., the following shall apply:

9.01 A person making application for appointment of a trustee must have in his possession a fifteen day notice of garnishment that has been served on him by a creditor.

9.02 To be eligible for the appointment of a trustee a debtor must be a resident of Mercer County or a non-resident of Ohio employed in Mercer County and must be subject to garnishment in accordance with the law.

9.03 The application must be accompanied by a statement as to creditors, containing the name and complete address of each creditor, what was purchased, amount due each creditor, and the account number.

9.04 No debt for \$50.00 or less shall be included in the trusteeship.

9.05 Debtor shall pay to the trustee twenty-five percent (25%) of his gross income, less taxes only, weekly, bi-weekly or monthly, according to his pay schedule. Other items which appear on check stubs which are withheld such as union dues, credit union charges, insurance, savings or anything of this nature will be included in the wages on which the 25% is based. Debtor's pay stub shall be submitted with each trusteeship payment.

9.06 Any payment which is ten days late will cause the trusteeship to be dismissed. If the debtor misses two consecutive payments to the trustee and the reason for missing the payment is that the debtor has not worked and has not received wages from his employer, the debtor must, by the date that the second payment is due, submit to the trustee a written statement from the employer indicating that no wages were paid for the preceding work period. The debtor may not reopen or file for a new trusteeship within six months without satisfactorily showing that the failure to pay was not due to willful negligence.

9.07 If the debtor becomes unemployed a minimum payment of \$10.00 per week must be paid to the trustee.

9.08 Distribution to creditors will be made when \$800.00 has been accumulated in the trusteeship. A fee of 2% of the distribution will be assessed to cover costs. Debtor will be advised of amount distributed and new balances due creditors.

9.09 Debtor shall notify the Court immediately of any change in address or employment.

9.10 A secured creditor may elect not to participate in the trusteeship. Therefore the debtor would be required to make payment directly to them, over and above the amount that is paid into the trusteeship. Failure of the debtor to make payments to the secured creditor who does not wish to participate in the trusteeship can result in the creditor repossessing the property that is given as security. However, no creditor can garnish the debtor's wages while he is in trusteeship regardless of whether the creditor has or has not elected to participate in the trusteeship.

RULE 10
Costs and Security for Costs

10.01 When a case in this Court is dismissed for want of prosecution or for failure to comply with an order of the Court, or by plaintiff without prejudice before judgment, all the proceedings by the plaintiff in the same case or in any subsequent suit upon the same cause of action shall be stayed until the costs in the former action are paid, unless otherwise ordered by the Court.

10.02 No action or proceeding shall be accepted for filing by the clerk of this Court unless there first shall be deposited the filing fee required by this Court in its schedule of costs, except that upon representation of indigency, the clerk of this Court shall investigate the accuracy of such representation and upon finding that such indigency does exist, the security for costs shall be waived.

10.03 Filing fee of \$100.00 shall be required in all civil cases except those listed in Rule 10.06. This includes certified mail to two defendants. Certified mail service for each additional defendant costs \$15.00. The filing fee for Small Claims cases is \$60.00 with each additional defendant being \$15.00. These fees shall be paid at the time the complaint is filed.

10.04 A fee of \$35.00 will be required in all civil cases upon the filing of a cross-complaint or upon the filing of a third-party complaint or counterclaim. The filing fee for a Small Claims counterclaim is \$30.00.

10.05 In any case wherein service is to be made by publication, counsel for the party desiring service by publication shall submit to the clerk of Court the proposed legal notice for such publication. This notice shall be promptly published in the local newspaper by the Clerk of Courts. The cost of the legal notice shall be paid by counsel directly to the newspaper.

10.06 The filing fee for civil BMV petition cases shall be \$90.00. The filing fee for a Forcible Entry & Detainer shall be \$125.00.

10.07 A deposit of \$750.00 is required for the issuance of an execution for an automobile and a deposit of \$750.00 is required for an execution on personal property. The actual court cost for the issuance of the execution is \$25.00.

10.08 In cognovit cases, the costs shall be paid upon the filing of the judgment.

10.09 A filing fee of \$60.00 shall be required for a Debtor's Examination.

10.10 A filing fee of \$100.00 shall be required for a personal earnings garnishment. An additional fee will be charged for personal service outside of Mercer County if so requested by the attorney. Otherwise, all garnishments outside of Mercer County will be sent regular mail with certificate of mailing.

10.11 A filing fee of \$60.00 shall be required for an Other Than Personal Earnings Garnishment (plus \$1.00 for the garnishee).

10.12 The clerk shall not accept a poverty affidavit for filing (an affidavit setting forth a party's inability to make the required deposit for costs), unless and until the Court indicates thereon his approval of the same. To secure such approval, the attorney for the party desiring to file said affidavit shall certify that no monies have been paid to him by the party and that to his best knowledge and belief, the party is unable to make the deposit.

10.13 In any case in which the Court has approved a poverty affidavit, the clerk may, upon request by such party's attorney, waive deposit for costs of publication. However, in such cases, it shall be the responsibility of the attorney making the request to advise the publisher in writing at the time the legal notice is presented for publication, that no funds have been deposited with the clerk for payment of the publication costs, and at the same time the attorney shall file with the clerk a written certification signed by the attorney stating that he has so advised the publisher.

10.14 No new proceedings shall be accepted by the clerk for filing when the party has unpaid costs due the court as a result of prior proceedings, except when approved by the Judge, or the party's indigency has been established.

10.15 A deposit of \$40.00 is required in all Trusteeship cases at the time of filing.

10.16 A deposit of \$1,000.00 is required in all civil cases where a Jury Demand is filed. Said deposit is to be made thirty (30) days prior to the date scheduled for the jury trial.

10.17 In the civil division, personal service by bailiff (in-county) is \$20.00 for each individual. Personal service by sheriff (in/out-of-county) is \$50.00 for each individual. When the return by the sheriff is made with the court and additional money is due, the additional fees will be billed to the person who deposited the fee. If the service is less than the \$50.00 deposit, the difference will be returned to the person who deposited the fee.

10.18 A fee of \$15.00 will be assessed as costs in a traffic or criminal case when a payment plan is established rather than payment in full at the conclusion of the case.

10.19 Overpayments on traffic and criminal cases and balances of civil deposits \$5.00 or less will not be refunded.

RULE 26

Mediation

The "Ohio Uniform Mediation Act" under Revised Code Chapter 2710 and Rule 16 of the Supreme Court of Ohio Rules of Superintendence is incorporated herein.

26.01 Definitions

"Mediation" is any process by which a mediator facilitates communication and negotiation between the parties to assist them in reaching a voluntary agreement regarding their dispute. "Mediator" is any neutral and impartial individual who conducts a mediation. Mediators are independent contractors not employed by the court.

26.02 Domestic Violence

Per Superintendence Rule 16.21 the use of mediation is prohibited (A) as an alternative to the prosecution or adjudication of domestic violation; (B) in determining whether to grant, modify, or terminate a protection order; (C) in determining the terms and conditions of a protection order; and (D) in determining the penalty for violation of a protection order.

26.03 Referral to Mediation

All civil cases may be reviewed by the judge for referral to mediation. If the parties do not settle the dispute in mediation, the case will proceed to trial. If a plaintiff fails to appear, the matter is subject to dismissal. If the parties to any civil case are directed by

the court to participate in mediation, the parties must do so at their expense. The Judge will select the Mediator.

26.04 Mediation Case Summary

Not fewer than five days before the first mediation session, each party shall submit to the mediator a summary of facts and circumstances of the dispute, any arguments in support of their respective positions, the status of their compliance with any discovery requests, the amount of damages requested, and a summary of any prior settlement negotiations between the parties. The parties shall promptly provide whatever additional information and materials they deem necessary to aid the mediator in understanding the dispute. The mediator may request that the parties provide clarification or additional information. Parties may, but are not required, to have an attorney present at mediation to advise them. If any Attorney is going to attend mediation, they must let the opposing party know so they can have their Attorney attend as well, if desired. When a corporation or other legal entity is a party to mediation, a person with the authority to settle the case on behalf shall participate in the mediation session.

26.05 No Advice

No statement by a mediator in mediation may be construed as giving legal advice. Materials for legal services and other support services may be provided to all parties, including victims and alleged victims of domestic violence. The mediator is authorized to provide such resource information; however, such distribution shall not be construed as a recommendation of, or referral to, such resource. The recipient of that information is charged with the duty to evaluate those resources independently.

26.06 Mediation Report and Confidentiality

The mediation process is confidential. All mediation communications are privileged as described in Revised Code Sections 2710.03-2710.05. Following mediation, the parties shall inform the court, in compliance with Revised Code Section 2710.06, who attended the mediation and whether the case settled. No other information shall be directly or indirectly communicated by the mediator to the court, unless all who hold a mediation privilege, including the mediator, have consented to such disclosure. The mediator shall keep mediation communications confidential, unless all who hold a mediation privilege, including the mediator, have consented to such disclosure.

26.07 Settlement Agreement

If a settlement is reached, the parties shall notify the court in writing. The matter shall be reduced to writing in the form of a Consent Agreement to be signed by the parties, their Attorneys and approved by the Judge.
